Dear Custodian of Records:

This letter is prompted by the Commission's preliminary review of the 24 Hour Notice of Disbursements/Obligations for Electioneering Communications (FEC Form 9) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following item:

- When reporting disbursements for electioneering communications, the person, group of persons, or qualified non-profit corporation or organization making the communication must disclose the name, state, office, and district (if applicable) of the federal candidate(s) clearly identified in the electioneering communication, as well as the election(s) in which they are candidates. (11 CFR § 104.20(c)(5)) On Schedule 9-B of your filing, you have disclosed disbursements for which you have failed to include the candidate information (name, state, office, district). Please amend your filing to include the missing information.

Please note, you will not receive an additional notice from the Commission on this matter. Requests for extensions of time in which to respond will not be considered. Failure to comply with the provisions of the Act may result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
